

Bureau of Land Management, Interior

§ 4110.1

Secretary means the Secretary of the Interior or his authorized officer.

Service area means the area that can be properly grazed by livestock watering at a certain water.

State Director means the State Director, Bureau of Land Management, or his or her authorized representative.

Supplemental feed means a feed which supplements the forage available from the public lands and is provided to improve livestock nutrition or rangeland management.

Suspension means the withholding from active use, through a decision issued by the authorized officer or by agreement, of part or all of the grazing preference specified in a grazing permit or lease.

Temporary nonuse means that portion of active use that the authorized officer authorizes not to be used, in response to an application made by the permittee or lessee.

Trend means the direction of change over time, either toward or away from desired management objectives.

Unauthorized leasing and subleasing means—

(1) The lease or sublease of a Federal grazing permit or lease, associated with the lease or sublease of base property, to another party without a required transfer approved by the authorized officer;

(2) The lease or sublease of a Federal grazing permit or lease to another party without the assignment of the associated base property;

(3) Allowing another party, other than sons and daughters of the grazing permittee or lessee meeting the requirements of § 4130.7(f), to graze on public lands livestock that are not owned or controlled by the permittee or lessee; or

(4) Allowing another party, other than sons and daughters of the grazing permittee or lessee meeting the requirements of § 4130.7(f), to graze livestock on public lands under a pasturing agreement without the approval of the authorized officer.

Utilization means the portion of forage that has been consumed by livestock, wild horses and burros, wildlife and insects during a specified period.

The term is also used to refer to the pattern of such use.

§ 4100.0-8 Land use plans.

The authorized officer shall manage livestock grazing on public lands under the principle of multiple use and sustained yield, and in accordance with applicable land use plans. Land use plans shall establish allowable resource uses (either singly or in combination), related levels of production or use to be maintained, areas of use, and resource condition goals and objectives to be obtained. The plans also set forth program constraints and general management practices needed to achieve management objectives. Livestock grazing activities and management actions approved by the authorized officer shall be in conformance with the land use plan as defined at 43 CFR 1601.0-5(b).
